## IVE and Leeds Young Film Festival present Arts Award Discover at Home

As the Film Festival is taking place online this year and we are unable to bring you our usual selection of workshops, masterclasses and special events, we wanted to ensure that there were still activities that you could do at home, away from screens and together as a family.

We have partnered with IVE, the Arts Council bridge organisation for Yorkshire and Humber, to offer Arts Award Discover at Home.

This specially adapted logbook will help guide you through everything you need to do to achieve your Arts Award based on the films and content of the Leeds Young Film Festival, however if you would prefer to complete your logbook on a different artform, you are welcome to.
