LIFF Presents: Real to Reel - The Craft Film Festival 2019

Organised by the Crafts Council, Real to Reel is the UK's only festival devoted to craft, with a selection of films exploring the human relationship with making and materials. The 28 short films selected are presented across two programmes with an interval during one afternoon. They feature artforms from woodwork to glassblowing, and bring together some unexpected tales and unusual ways of making - from replica birds' eggs to a human-powered bakery.
